NOTICE TO DOG OWNERS OR KEEPERS OF DOGS

Owners or keepers of dogs six month old or over as of January 1, or at such time the dog becomes six (6) months old must procure a license annually. Any person becoming the owner or keeper of a dog after the first day of January not duly licensed as herein required, shall within ten days after he becomes the owner or keeper of said dog, cause dog to be described and licensed. No city or town clerk shall issue a license for any dog until applicant has filed with such clerk proof that such dog has been immunized against rabies in accordance with rules and regulations promulgated by the Commissioner of Human Services, Provided that the requirement of immunization may be waived by such clerk under conditions set forth by the Commissioner of Human Services.

All dogs shall be considered capable of producing young unless a previous license record or certificate issued by any licensed veterinarian, is presented stating that such dog was made incapable of producing young by neutering him. When such certificate accompanies the application, a fee of \$3.00 shall then be paid on such neutered dogs.

A dog catcher will be appointed by the Selectmen and this will be enforced or a fine will ensue to the dog owner.

FEES FOR 1987

Male Dogs	\$ 6.50
Female Dogs	6.50
Neutered Male Dogs	3.00
Neutered Female Dogs	3.00

Interest at the rate of 1% per month is added to all real estate taxes collected after October 16, 1986. According to State Law the interest becomes a part of the tax and is liable for lien fees.

Liens will be placed on all real estate upon which the 1986 taxes and interest remains unpaid.

Respectfully submitted,

Mary E. Harris
Tax Collector

FIRE CHIEF'S REPORT 1986 - 1987

In 1986 - 1987 the Eastbrook Fire Department responded to 6 fire calls. All were chimney fires.

During the year we added the following to our inventory stock:

1 Battery Charger
6 Chimney Brushes

We did more maintenance to the trucks this year than we did anything else. All trucks have new oil, filters, and antifreeze. The tank truck tanks have been dumped, rinsed out and refilled. The Ford pumper has had extensive brake work and now has good brakes.

We feel the problem with the Dry Hydrant is sufficiently taken care of and have placed a cap on it to keep out dirt and debris.

Rain and scheduling problems kept us from our chimney cleaning rounds this year but hopefully we can get an earlier start on this job.

We now meet in the Fire House, thanks to a new platform built over the storage room.

This has been an easy year for the Fire Department. I hope that next year will be an even easier one.

I would like to thank the town for its' co-operation this year. It's been an adventure and truly an honor to be your Fire Chief for the past year.

I also want to thank the men of the Department for their help and guidance.

Sincerely,
Joey Wilbur
Fire Chief EVFD

FIRE DEPARTMENT REQUEST

The Fire Department budget request is again for \$5,000. We were able to put \$3,000 this year in our New Truck Account and we are in hopes to do the same again this year.

ROAD COMMISSIONER REPORT

Last Spring the season got underway with a major reconstruction project on Sugar Hill. Nearly 1600 ft. of road was completely rebuilt. Judging by the size of some of the rocks which were dug out, makes one realize why the road used to heave in the spring of the year. This spring, plans call for shimming the surface of this project.

The Carrie Wallon road was completely resurfaced with 2" of $\frac{3}{4}$ stone mix. This road had been previously rebuilt, and now it is completely finished.

With the purchase of the new back-hoe last fall, a considerable amount of ditching was done on Sugar Hill. Plans call for more ditching, plus replacement of several culverts on this section of road. The back-hoe seems to be working well, it appears to be an excellent machine.

As soon as the roads dry up and settle back in place, we plan to resurface the Jess Abbott road with a cold-patch mix. I had planned to get it done last fall but it got too late in the season to do it. The materials have already been purchased for this job.

Resurfacing plans this year call for more paving being done on the Webb Pond Road. Some minor preliminary work has to be done first. Plans also call for considerable ditching being done on this road this summer and fall. Some culverts also need to be replaced.

If there is enough funding available some more major reconstruction needs to be done on Sugar Hill. Hopefully some more work can be done up there.

The Macomber Mill Road is in fair condition overall. Plans this year call for more ditching and brushing out. This will be the last major piece of dirt road we will have left. The majority of this road is nearly ready for surfacing. Hopefully in the near future we can get some paving done in this area. The cost of paving severely restricts the amount which we can afford.

I hope all agree that our present maintenance program is beginning to show an improvement in the town roads.

EASTBROOK LIBRARY

There were no regular hours at the Library this year, but it was opened by request whenever anyone wanted to take out books. We continue to **hope** that more interest will be shown in using the facilities of the Library. For several weeks during the Spring, school children from Cave Hill came on a regular basis and we encourage them to continue. There is a good selection of fiction and a growing number of fine reference books.

We are very fortunate this year to have a large donation of books from Harold M. Quigley, in memory of his parents, John and Madeline Quigley. We plan to have them on the shelves by warm weather.

Anyone wishing to take out books can give me a call and I'll come down and open the Library.

Board of Selectmen
Town of Eastbrook
Eastbrook, ME

Gentlemen:

We have examined the financial records of the Town of Eastbrook, Maine, for the year ended February 23, 1985. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances except as stated in Note 1 to the financial statements.

In our opinion, the accompanying balance sheet and related statements present fairly the financial position of the Town of Eastbrook, Maine, as at February 23, 1985, and the results of its operations for the year then ended in accordance with generally accepted principles of municipal accounting except for the effect, if any, of the data described in Note 1 which was not examined.
